Part III.			
It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview directly resulted in the allowance of the application. The examiner will provide a written summary of the substance of the interview in the Notice of Allowability. It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview did not result in resolution of all issues. A brief summary by the examiner appears in Part II above.

Continuation of Substance of Interview including description of the general nature of what was discussed: Mr. Worrall was contacted because the allowed claim 69 was found to be improperly dependent from claim 69 in that it contained limitations referring to a chemical structure of a linker, which was not present in the independent claim 51 from which claim 69 depends. Previously pending claim 29 did contain the linker structure, and the examiner proposed to insert this structure into claim 69. Mr. Worrall responded that he had to consult with the Applicants..
